WORSHIPING SERVING, FELLOWSHIPING

WELCOME VISITORS!

Thank you for joining us today to worship the Lord.

If this is your first visit here, please honor us by filling out a visitor’s card found on the back of each pew. Your prayer requests may also be made on the flip side of the card. At the close of service you can hand it to any member, place it in the contribution box at the front of the auditorium or simply leave it in the pew and we will collect it.

During the service we will celebrate communion. (Sacraments are available on the table in the entry foyer.) This is a time that we partake of unleavened bread and juice from the fruit of the vine to remind us what Jesus has done for us. Communion is not only about Jesus’ death, but his resurrection and triumph over death and sin. His resurrection is the source of our hope that God will fulfill his promise of eternal life through Jesus the Christ.

OPPORTUNITIES TO GROW

Tuesday - Westworth Men's Group Tom Reynolds

My step-daughter, Sherri Ascol (Wanda's oldest daughter). Introduced me to In a Pit With a Lion on a Snowy Day. God's spirit told her I might enjoy reading the book. She put it on a table for me to see, and said nothing to me about the book.

When I saw it, I thought that was an odd title for a book. The next day, God's spirit called me to check it out. I was hooked by page 2. The deeper I got into *The Pit*, the more the Spirit moved me. Some place around chapter 3, I got the idea of sharing the book with the men of Westworth Church of Christ. The Spirit answered my desire to know where to go for our next group meeting subject, a great direction at the close of the study on the Holy Spirit. I asked God if this was His desire, or just mine. His answer was given to me in two lessons from our pulpit by two different speakers over a three week period. It was clear to me that I was on the right path. I am so excited to see what God's spirit has in store for our church.

From The Pit: "We don't need another class, another conference. We need a new anointing. We are already educated way beyond the level of our obedience. We don't need to know more; we need to do more with what we know. How? The anointing."
